

## Fishkill Residents

We, the undersigned residents of Fishkill, support the proposed Continental Commons project. We look forward to the future preservation and development of shops and restaurants across from the Dutchess Mall on Route 9. The plan provides a positive balance between economic development and retaining our county's historic characteristics. Continental Commons will also provide much needed jobs and tax revenues for our town.

## Fishkill Residents

We, the undersigned residents of Fishkill, support the proposed Continental Commons project. We look forward to the future preservation and development of shops and restaurants across from the Dutchess Mall on Route 9. The plan provides a positive balance between economic development and retaining our county's historic characteristics. Continental Commons will also provide much needed jobs and tax revenues for our town.

## Fishkill Residents

We, the undersigned residents of Fishkill, support the proposed Continental Commons project. We look forward to the future preservation and development of shops and restaurants across from the Dutchess Mall on Route 9. The plan provides a positive balance between economic development and retaining our county's historic characteristics. Continental Commons will also provide much needed jobs and tax revenues for our town.
